# Memorandum of Understanding

Signed between

## **Indian Pharmaceutical Congress**

(hereinafter referred to as I.P.C.)

**Through Organising Secretary, 46<sup>th</sup> I.P.C.**

and

## **Panjab University**

(hereinafter referred to as P.U.)

The Department of Pharmaceutical Sciences now renamed as U.I.P.S. organized the 46<sup>th</sup> IPC on the P.U. campus in December 1994. Out of the savings of the 46<sup>th</sup> IPC, the IPC has decided to donate Rs.18 lacs to the Panjab University for the construction of Golden Jubilee Pharmaceutical Conference Hall as part of the Golden Jubilee Guest House project of the P.U.

The decision of IPC was communicated to the P.U. which has been duly accepted by its appropriate bodies. In this connection IPC enter into a Memorandum of Understanding with the P.U. on **Eighth day of March, 2002** to establish a mutually beneficial alliance for effectively using the Golden Jubilee Pharmaceutical Hall and rooms (suits) therein for promoting academic and professional activities. This would enhance the academic activities of the U.I.P.S. and the professional activities of the IPC and also allow the P.U. to utilize the infrastructure so created for promoting similar activities of the University on the campus.

**Both the parties agree on the following:**

1. The P.U. will build Golden Jubilee Pharmaceutical Conference Hall as part of the Golden Jubilee Guest House for a capacity of 100 people (the drawings as approved by the University). This would be duly furnished as per design.
2. The hall would be named as "Golden Jubilee Pharmaceutical Conference Hall".
3. Atleast 4 rooms/suits in the Golden Jubilee Guest House will be earmarked for the use of the U.I.P.S. and also for the professional members of the I.P.C. Provision may also be made to allow U.I.P.S. to construct additional suits as and when it generates funds.
4. The Golden Jubilee Guest House will have an office facility for the Golden Jubilee Pharmaceutical Hall.
5. The administrative and the operational management of the Golden Jubilee Pharmaceutical Hall and Guest Rooms will be done as per the norms established by the P.U. The P.U. would fix charges for hiring the Golden Jubilee Pharmaceutical Conference Hall as per its norms. However, the Hall will be made available free of cost for the pharmaceutical and professional activities of the I.P.C. whenever such activities are planned.
6. The Chairman of the U.I.P.S. shall be a member of the committee so established by P.U. for administrative purpose of the Golden Jubilee Guest House which would also administratively control the Golden Jubilee Pharmaceutical Hall and the Guest rooms/suits.
